### Dear Supporters of Epilepsy Foundation of Arizona,

Our Foundation concentrated on awareness this fiscal year. The priority was to increase our presence in social media (Facebook, Instagram, LinkedIn and Twitter). Our numbers are now rivaling epilepsy affiliates nationwide. This has resulted in an increase in awareness of epilepsy and subsequent support to numerous individuals within Arizona who were unaware that our Foundation existed. In addition, individuals can now register for our various programs online with ease. Our focus on awareness for FY2015-2016 resulted in the following accomplishments:

**2,160+**

The Foundation served **over 2,160 individuals** with, or affected by, epilepsy.

**57 volunteers** committed their time to us so we could utilize their valuable talents.

Camp Candlelight was enjoyed by **41 children** who learned about their seizures and positive coping skills, while enjoying fun camp activities.

Our events attracted **798 participants** who care about individuals suffering from seizures.

We thank you for your continued support and your assistance in achieving the above accomplishments.

Kind Regards,  
Alan Bayless Feldman
